MISSION STATEMENT

Calvary Baptist Church School, as a ministry of Calvary Baptist Church, exists to assist parents in teaching students to glorify Jesus Christ in the pursuit of spiritual, academic, physical, and social excellence.

PURPOSE

The primary objective and purpose of the school is to provide for our parents a place where their children can be taught Biblical standards, know Jesus Christ as Savior, become conformed to the image of Christ and meet the qualifications of academic excellence.

Since the Christian school is considered an extension of the Christian home, it is imperative that parents create an atmosphere at home that is supportive of the school and its goals. Children are taught to honor the rights of others and to respect manners, rules and laws at CBCS. Students learn the importance of self-discipline and that people who cannot control their own actions and emotions face negative consequences.

The school welcomes constructive suggestions; however, destructive criticism and griping will not be tolerated.

DOCTRINAL STATEMENT

1. Calvary Baptist Church School holds that the Bible is the infallible, verbally inspired Word of God and that salvation by faith in Jesus Christ is the initial step in the Christian life.
2. We believe that there is one God, eternally existent in the persons of the Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and His personal return to power and glory.
4. We believe in the resurrection of both the saved and the lost; those that are saved will dwell in heaven for eternity, and those that are lost will suffer in hell for eternity.
5. We believe that there is adequate Biblical basis for the fact of spiritual growth into the image of Christ, which is the work of the Holy Spirit. This growth begins with the initial act of saving faith and continues throughout life.
6. We believe in the spiritual unity of believers in our Lord and Savior Jesus Christ.
7. We believe that regeneration by the Holy Spirit is absolutely essential for the salvation of lost and sinful men.

NOTICE OF NON-DISCRIMINATORY POLICY AS TO STUDENTS

Calvary Baptist Church School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at CBCS. It does not discriminate on the basis of race, color, or national and ethnic origin in the administration of its educational policies, admission policies, and athletics and other school-administered programs.

GENERAL INFORMATION

ADMISSIONS POLICY

Calvary Baptist Church School as a private institution reserves the privilege of setting and maintaining its own standard of student dress, conduct, and cleanliness. Calvary Baptist Church School reserves the right to refuse admittance to anyone it chooses and to suspend or expel any student who violates on or off campus the standards set forth in the Dress and Hair Code, Parent-Student Handbook, or other rules of conduct as defined by the administration.

The administration also reserves the right to refuse to define the criteria or reason when applications are not accepted.

It is understood that attendance at Calvary Baptist Church School is a privilege and not a right, which may be forfeited by any student who does not conform to the standards and regulations of the institution. The school may request the withdrawal of any student at any time that in the opinion of the school does not fit into the spirit of the institution regardless of whether or not he conforms to the specific rules and regulations of the school.

Calvary Baptist Church School seeks to enroll students from those homes which express the intent to follow Christian principles. Our goal is train these students for positions of leadership that will be honoring to God.

It is our desire to help the special education child; but unfortunately, our school is not equipped at this time to handle students who have emotional, learning, or disciplinary problems.

BIBLE CURRICULUM

A firm emphasis is placed on the knowledge of the content of God's Word and on the application of Biblical truths in the life of the student. Each student is to have with him daily a copy of the King James Version (KJV) of the Bible.

CARE OF PROPERTY

CBCS belongs to God. The manner in which our property is maintained is very important because it affects the Christian testimony of the school and the students. Respect for all property is vitally important. Sitting on desks, leaning on chairs, carving, or defacing any part of CBCS is considered a serious offense. Willful damage to these properties could result in immediate dismissal from school. Students are responsible for the financial cost of repairing anything they damage.

CHURCH ATTENDANCE

Church is a necessary part of everyone's life. As a Christian school, we encourage our students to attend the services of a doctrinally sound Bible-teaching church. Our goal is to complement the spiritual training of the student's home and church. All students are expected to attend all revival services held during the school year at Calvary Baptist Church as long as it does not conflict with their own church services.

CLASSWORK

1. All class work must be done on standard-sized, wide-ruled, loose-leaf notebook paper. Certain subjects may require special types of paper.
2. All work is to include the student's name, date and subject.
3. All work must be neat and legible. A teacher may refuse to accept any work which does not meet these two standards.
4. Students should use a #2 lead pencil. Teachers may require the use of ink in some classes; however, colored ink or felt pens are not acceptable.
5. When taking a quiz or test, each student is responsible for making sure that his paper cannot be seen and copied by someone else.
6. As a general rule, make-up work for the returning students must be completed within the number of days missed plus two.

CONFERENCES (Parent-Teacher)

1. We ask parents to call the school office or write a note directly to the teacher requesting a conference. Please wait for the teacher's confirmation of the time before arriving.
2. Please feel free to make an appointment anytime you feel a problem or misunderstanding has occurred.
3. Please do not call the school asking that a student or teacher be brought from class to speak on the phone, except in emergency situations. The secretary will give any messages to the teacher or child. When necessary, the teacher will return the call at a convenient time.

FINANCES

A. Tuition

The tuition, if not paid in full at the beginning of the year, will be paid in ten equal installments which are due on or before the 10th of the month. The first payment is due by August 10th; the last payment is due by May 10th. If tuition payments are not made on time, a delinquent fee will be assessed. All accounts must be paid in full before the last week of the school year for students to be allowed to take final tests/exams. In emergency situations, those financially responsible for a student's account may request a conference with the administration to set up a payment plan for the amount due, thereby allowing the student to take final tests. No report cards or transcripts will be issued for any student whose account is not paid in full.

B. Registration

The registration fee for a new student is \$120.00. For a returning student, it is \$60.00. This fee is non-refundable. Any registration fee for a returning student that is not paid by April 1st will incur an increased rate. The delinquent rate will be \$120.00.

C. Refunds

The registration fee is non-refundable except for the following:

- * Job transfer out of town.
- * Emergency situation agreed upon by CBCS.
- * CBCS has decided that it is in its best interest not to allow that student to enroll for the following school year.

D. Withdrawals

If the student's account balance is not up-to-date at the time of withdrawal, all grades and records will be held until the balance is paid. Tuition will be prorated to the date of withdrawal, not the day the student stops attending the school. To withdraw officially, parents must sign a withdrawal slip and turn it in to the school office.

E. Delinquent Accounts

Report Cards will not be released for students whose accounts are not paid by the day prior to when report cards are sent home. If tuition is not paid for two months and no arrangements have been made with the administration, the student will be withdrawn from school until financial obligations have been met. Any student who fails to resolve any outstanding debt to the school (i.e. tuition, library fees, book fees, activity fees, graduation expenses or any other required payment) will not be eligible for graduation or re-entrance or to acquire an academic transcript to another school.

GRADING SCALE: 10 point scale

The following grade scale will be used by CBCS

A+ =97.5-100	B+ =86.5-89.4	C+ =76.5-79.4	D+ =66.5-69.4	F =0-59.4
A =92.5-97.4	B =82.5-86.4	C =72.5-76.4	D =62.5-66.4

HAIR AND DRESS CODE

The outward appearance of a person is a reflection of the condition of the heart and mind. Through our dress and hairstyle, we either draw attention to ourselves or we magnify the Lord. It is our belief that Christian young people must dress and act differently than the world. Because the Bible stresses modesty and admonishes us to abstain from all appearances of evil, CBCS feels that dress standards are necessary for a school such as ours; therefore, the following general Scriptural guidelines should be followed:

1. Modesty (I Timothy 2:9)
2. Distinction of the sexes (I Corinthians 11:14-15)
3. Identification with the Lord and not the world (Romans 12:1-2)
4. Appropriate dress for the occasion (Ecclesiastes 3:1)

If there is any question about an item being acceptable or unacceptable, the administration will have complete and final authority in determining what constitutes adherence to and violation of the dress code.

A. Hair

Young men's hair is to be tapered in back with a traditional taper or block cut with a short taper. It should be off the collar, off the ear and not excessively full. Bangs are to be out of the eyes and at least one-finger width above the eyebrows. Boys' and girls' hair should not be bleached, dyed, or tipped other than in a natural color. Conspicuous, faddish hair styles such as level cuts, spiked cuts, bowl cuts, etc., are not acceptable. HOMEWORK POLICY

Homework is an integral part of the school program and aids the student in the learning process. Parents are urged to cooperate and see that assignments are completed and that papers taken home to be signed are signed and returned promptly.

A. Homework may be assigned for various purposes:

1. For Practice: Following classroom explanation, illustrations, and study, it may be good for a student to pursue the activity independently for continued mastery and understanding of the skills and concepts taught. Homework may include review of materials already covered.
2. For Drill: It is necessary to drill for mastery of facts and certain skills and concepts.
3. For Remedial Activity: At times it may be necessary for students to do individual assignments to overcome academic weaknesses.
4. Special Projects: Extension of classroom activities may require book reports, compositions, special research and construction of various types of projects.

- B. Homework assignments made by the classroom teacher should be completed by the student and turned in at the time designated, usually the following day.
- C. Each student is to do his own work. Parents are asked not to do homework for their children.
- D. There will be no homework assigned on Wednesday nights for all grades. Homework may be assigned or a test announced on Tuesday that will be collected or given on Thursday. No homework on Wednesday night is for grades 1-12.**
- E. As a general rule, make-up work must be completed upon returning within the number of days missed plus two.
- F. If a student has a reasonable excuse for not having his homework, the parent is requested to write a note to the teacher. This should not happen often and only in emergency situations.
- G. If a parent has a question about homework or some other problem, he should call the school office and leave word for the teacher to return the call after school or send a note. Please do not call the teacher at home.
- H. Copying another student's homework is cheating.

INCLEMENT WEATHER

If Calvary Baptist Church School closes due to emergency, hurricane, snow or storm conditions, announcements will be made through the School Cast System and WCTI 12. We will follow the Craven County School System, unless the administration deems it necessary to decide otherwise. Once that decision is made, a message will be sent by our School Cast System.

LOCKER USE

The lockers at CBCS are a convenience furnished by the school. Any student that defaces or misuses his locker may lose the privilege to use it.

- A. Posters, pictures, slogans or any other material not consistent with the philosophy and principles of CBCS are not to be attached or hung in any locker.

LOST AND FOUND

The school will not be responsible for the loss of any personal property. Parents should label all articles of clothing and any personal possessions with student's name. All lost articles will be taken to the school office where they may be redeemed for 25 cents each. This policy is to teach students responsibility for their items.

LUNCH PROGRAM

CBCS offers special lunches on certain days of the week. A monthly calendar will go out to inform students of those days. All other days, students will have the option to bring a sandwich from home or something that can be heated in a microwave for no longer than 2-3 minutes. CBCS offers a wide variety of drinks and snacks that may be purchased during lunch time.

PARENT--SCHOOL RELATIONSHIP

To increase cooperation and the overall effectiveness of CBCS's educational efforts, parents are asked to carefully practice the following:

- A. If any question arises over an administrative decision or rumor heard, please call the principal directly. If you are not adequately satisfied, you may contact the school administrator. Complaining to your children, criticizing the school, or calling another parent undermines our position and greatly hurts our efforts with your child. We are most effective when we work together.
- B. Observe the chain of command by communicating directly with your child's teacher if there is a problem. You may call the school secretary and request that your child's teacher return your call. If after speaking with the teacher the problem is not resolved, please speak with the elementary supervisor or the assistant principal. If there is still no resolution, please speak with the head administrator.
- C. Keep in mind our dress code for the students; please dress appropriately when coming to the school.
- D. Please understand that messages received late in the day may not be deliverable. Please call as early as possible.

P.E. REQUIREMENTS

P.E. classes are taught in grades 6-9. All P.E. students will be responsible to purchase a uniform. Uniforms will be worn each time a student is required to dress out. All students are required to dress out unless they have a written excuse from a doctor. Grades will be lowered accordingly if a student decides not to dress out without a doctor's excuse or an allowed cut. Grades can be based on objective skills criteria, as well as written academic work.

PROMOTION

Elementary- K5-5th Grade

Students who fail two of the following subjects or end the year with a yearly average of *F*, will automatically repeat the grade. These subjects are mathematics, language, and reading.

Middle School- 6th-8th

6th, 7th, and 8th graders do not accumulate credits toward high school. Failure of three or more subjects or a yearly average of *F* automatically requires retention for 6th, 7th and 8th grades. A student must pass Bible in order to be promoted to the next grade.

RE-ENROLLMENT

During re-enrollment for the next school year, present students are accepted on a first-come, first-served basis. When re-enrollment ends, CBCS will then open up enrollment to new students.

In order to help our students and protect the integrity of our student body, any student who decides to operate a personal website or contribute to a blog will be held accountable for its content.
2. If any inappropriate website/blog content is reported, the website/blog must be registered with the school for monitoring. Any student with website/blog material that is deemed inappropriate will be subject to disciplinary action up to and including immediate ineligibility to attend CBCS.

- B. The school office hours for the Jr./High School are from 8:00 a.m. to 3:30 p.m., Monday through Friday.

SPECTATOR CONDUCT

In some respect every student, parent and faculty member is a representative of Calvary Baptist Church School. We ask that members of CBCS "family" attending extracurricular activities conduct themselves in a respectable, Christian manner. Harassment or verbal abuse of players, coaches, officials or members of the visiting school is not acceptable and certainly is not evident of mature Christian character.

STANDARDIZED TESTING

Iowa Assessments Achievement Tests, nationally standardized, are given to all students in grades K-5-11. Additionally, students in 11th and 12th grades take the SAT or ACT for college entrance.

STUDENT EVALUATION

Each year students are enrolled in CBCS whose attitude is not consistent with the spirit of the school, yet they may not receive an abundance of demerits. These students are a negative spiritual influence on the student body. In an effort to assist these students, the faculty will be asked to prayerfully evaluate each student. At each semester, the administration will meet with those students whom the faculty believes need to show spiritual improvement. If this improvement is not realized, the student may be asked to withdraw from CBCS.

TRANSFER STUDENTS

Students who are transferring from other schools will be expected to take an entrance examination. Should the student's accomplishments (as shown by the test) be on the grade level to which he has been promoted, he will be admitted to that grade. However, should the student's accomplishments (as shown by the test) be on a lower level, then he may be placed in the grade best suited for his achievement.

WITHDRAWAL FROM SCHOOL

Should it be necessary to withdrawal a student from school for any reason, parents must notify the school office directly as soon as possible. Parents must fill out and sign an official withdrawal form. All tuition charges may continue until CBCS has received this form. Records may not be released until all accounts are paid and textbooks have been returned.

ELEMENTARY DIVISION

ATTENDANCE REQUIREMENTS

- A. In order for your child to gain the most in school, he must be regular in attendance. Please do not keep your child at home for reasons other than sickness or emergency. Planned absences such as family vacations must be excused in advance. Failure to get advance permission will result in no credit for work missed.
- B. When a student is absent, he must bring a written excuse to school the day he returns and give it to his teacher. The note should include the following information:
 - Date of absence or tardiness
 - Reason for absence or tardiness
 - Signature of parent or guardian
 - Parent or guardian's phone number
- C. If an elementary student is absent for more than 20 days during the year, he will not be promoted to the next grade.
- D. As a general rule, 3 tardies equal one absence.
- E. As a general rule, make-up work must be completed upon returning within the number of days missed plus two. Make-up work for long periods of absenteeism is given special consideration and is handled on an individual basis.
- F. The school day begins promptly at 8:00 A.M. All students are expected to be in their classrooms at this time. Late arrivals are to report to the school office to receive an official late slip. The parent must accompany the child to the school office and sign in the student, giving a reason for the tardiness. No tardy student will be admitted to school unless the parent signs him in.
- G. Students who are extremely tardy (leave early or arrive late) must be at school at least 3 ½ hours in order to be counted present.
- H. To be counted present for that day, the student must arrive by 11:30 A.M.
- I. Vacations during the school year cause hardships on the educational process. If advance approval is not obtained, missed work will receive a zero.
- J. If a student needs to leave early, the parent should come to the school office and sign out the student. The school secretary will then send for the student.

DISCIPLINE

Our primary method of discipline is a positive and consistent reinforcement of proper behavior. Your child's teacher and/or administrator of the school may make and enforce classroom regulations in a manner consistent with Christian principles and discipline set forth in the Scriptures.

FIELD TRIPS

All students are required to ride the bus to and from field trips. A student may ride home with a parent when the field trip is over. No student may ride in another parent's personal vehicle.

HONOR ROLL

- B. A Honor Roll: Student must have an A average for each class, nothing below a B per quarter; however he may have a B.
- C. B Honor Roll: Student must have a B average for each class, nothing below a C per quarter; however, he may have a C.

IMMUNIZATIONS

Before a child may attend CBCS, he is required to have received all the immunizations required by law. The immunization records must be presented at the time of registration.

- A. All students enrolling into school must have their 4 year DPT, Polio and MMR before school starts.
- B. Health forms are required to admit all kindergarten, first grade, and out-of-state transfers. The following immunizations are required:

PARENT CHAPERONES

There are times throughout the school year when parents may be asked to serve as chaperones at school-sponsored activities such as sporting events and field trips. Parents should observe the school dress code while serving as chaperones and be willing to abide by the school policies.

TELEPHONES

Students may request that the school secretary or a teacher/staff member call a parent, but only for an emergency or sickness. Cell phones may be brought to school but must be turned in to the school office immediately upon arrival. Students may retrieve their phones at the end of the school day, but should not use them until they have left school for the day.

MIDDLE AND HIGH SCHOOL DIVISION

ATTENDANCE REQUIREMENTS

- A. In order for your child to gain the most in school, he must be regular in attendance. Please do not keep your child at home for reasons other than sickness or emergency. Planned absences such as family vacations must be excused in advance. Failure to get advance permission will result in no credit for work missed.
- B. When a student is absent, he must bring a written excuse to school the day he returns and give it to his teacher. The note should include the following information:
 - Date of absence or tardiness
 - Reason for absence or tardiness
 - Signature of parent or guardian
 - Parent or guardian's phone number
- C. If a middle or high school student is absent for more than 20 days during the year, he will not be promoted to the next grade.
- D. Attendance will be kept by individual class periods. Yearly attendance will also be kept.
- E. As a general rule, make-up work for returning students must be completed within the number of days missed plus two. Make-up work for long periods of absenteeism is given special consideration and is handled on an individual basis.
- F. The school day begins promptly at 8:15 A.M. All students are expected to be in their classrooms at this time. Late arrivals are to report to the school office. Late students will not be admitted to class without an official late slip.
- G. Students who are extremely tardy (leave early or arrive late) must be at school at least 3 ½ hours in order to be counted present.
- H. To be counted present for that day, the student must arrive by 11:30 A.M.
- I. Vacations during the school year cause hardships on the educational process. If advance approval is not obtained, missed work will receive a zero.
- J. If a student needs to leave early, the parent should come to the school office and sign out the student. The school secretary will then send for the student.
- K. Once a student arrives at school in the morning, he is not to leave the grounds until school dismisses or by special permission by parents or the administration. Students must sign out with the school secretary before leaving school during the day.

AUTOMOBILES

Any student with a valid driver's license is allowed to drive to and from school. Proof of insurance is required and the following guidelines must be followed.

- A student is considered on campus when he or she arrives at school. Students are not allowed to leave the school grounds until school is dismissed for the day except with parent's or administrator's permission.
- Upon arriving at school, all students must report immediately to their designated areas rather than staying in their cars.
- Once students arrive at school and leave their car, they will not be allowed to return to their car without receiving permission from the teacher.

- Students are expected to observe all rules of the road. “Revving” or “spinning” of tires is not allowed and may result in loss of car privileges.
- No student should drive any vehicle other than his or her own, nor ride with any student, unless written permission has been given and received in the office from both students’ parents.
- Students under the age of 18 wishing to obtain a North Carolina driver's license or permit must obtain a Driver Eligibility Certificate from the school office. In order for a student to receive a Driver Eligibility Certificate, he or she must be making satisfactory progress toward graduation. At CBCS this means that a student must be passing all major courses.
- Drivers who are habitually late will cause the school to take the following actions:
 1. Notify the parents to try and resolve the problem
 2. Restrict or remove the privilege of driving to school.

COURSE REQUIREMENTS

A course of study will be determined for each freshman as he/she enters high school. Any difficulties in scheduling will be worked out with a conference among the student, parents, and principal. A minimum of 22 credits is required for graduation. All students will be placed in our College Preparatory course of study unless directly requested otherwise by the student’s parents.

At the high school level, a student’s classification will be determined by the number of credits earned:

0-5 credits earned=Freshman

18 + credits earned=Senior

- B. No couple should ever be alone in an unobservable or secluded location. Couples are not to sit in parked cars on school grounds.
- C. Repeated offenses may result in temporary or permanent social separation, suspension, or expulsion.

DISCIPLINE

The goal of CBCS is to provide the best possible learning environment in a Christian atmosphere. Believing that discipline is necessary for the welfare of the student as well as the entire school, each teacher is given the responsibility of enforcing classroom regulations in the matter which he/she feels is in accordance with school policy. Students are to comply with and support both the regulation and its intrinsic value. Home and school must be parallel in disciplinary outlook for moral training to be effective.

Full cooperation is expected from both students and parents in the education of the student. If at any time the school feels that this cooperation is lacking, the student may be requested to withdraw from school. Also, if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of Calvary Baptist Church School, whether or not there is any definite breach of conduct, he/she may be requested to withdraw from school.

When misconduct occurs, corrective measures will be used to help the student change his/her behavior and attitude. Examples of typical corrective measures are student-teacher conference, demerits, detention after school, student-administrator conference, parent-teacher conference, and suspension from school. Students can be suspended or expelled for excessive accumulation of demerits.

Demerits

Each student will begin with zero demerits and will receive demerits for each infraction. Demerits can be given out by anyone who is on staff at CBCS. At the time a demerit is given, the student will sign the demerit and receive a carbon copy. The original will be sent to the school office where it will be put into the computer and in that student's file.

Demerits will be given for minor infractions such as, but not limited to, talking out of turn, getting out of seat without permission, consistently not completing assignments, violation of school dress code, meddling in other students' property, griping or other misconduct. Although this list is not exhaustive, it represents behavior that is not acceptable.

Six or more demerits will be given for major infractions such as, but not limited to, lying, cheating, stealing, disrespect, cursing, vandalism, fighting, or other misconduct. Although this list is not exhaustive, it represents behavior that is not acceptable.

Demerit accumulation penalties (per year)

- | | |
|----------------|---|
| • 5 demerits | 1 detention |
| • 10 demerits | 2 detentions (served on separate days) |
| • 15 demerits | 2 detentions plus a mandatory parent-administration meeting |
| • 20 demerits | 1-day out-of-school suspension from school |
| • 25 demerits | 2-days out-of-school suspension from school |
| • 26+ demerits | Administrative Discretion |

Detentions

1. Detention will be assigned for every 5 demerits and as deemed necessary.
2. These are served after school from 3:00-4:00 p.m. on a day set by the Administration.
3. Students failing to serve the first detention will serve the detention and receive an additional hour of detention on another day.
4. Failure to serve the additional detention will result in suspension and a parent conference.
5. A student may not miss detention to attend a CBCS practice or game. This rule allows the student to understand that excessive irresponsibility results in no privileges and affects others.

SPORTS

Players participating in sports must maintain a *C* average in all core classes. An *F* average in any core class will result in an automatic suspension from the team until the grade average in that class is at least a *C*. If a player becomes ineligible, he or she may still practice with the team. (Coaches will need to receive permission in writing from the parent that the student may attend practices.) Any player who is academically ineligible will not be allowed to travel with the team for away games, and **must** sit on the bench dressed out for home games.
